

MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

Books of the Bible Lesson 2

THIS WEEK'S LESSON: THE LAW BOOKS

IN THE CAR:

Ask your child what they learned about this week on the drive home:

The first five books of the Bible tell us how God created the world from nothing. We also see that everything God made was good and perfect. But it didn't take long for sin to enter the world. Sin is anytime we disobey God. Sin made the perfect world God had made not perfect anymore. In the book of Exodus, God gave his people the 10 Commandments to show them all the things they would have to do to try to be perfect. God knew that no one would be able to keep all of those rules perfectly though, so he was already working on a bigger plan to get rid of sin forever. Genesis 1:1-5, Genesis 3:1-6, Exodus 20:1-17 Creation, the Fall, The 10 Commandments

HANGING OUT:

Make this week's lesson real:

Ask your kids if they can remember the first five books of the Bible and teach you the hand motions.

AT DINNER:

Here are some great discussion starters:

- What does the book of Genesis teach us about God and us?
- What are the Ten Commandments, and what do they teach us?
- What did God do to set us free from sin?

AT BEDTIME:

Quiz your child on this week's memory verse:

"Every word of God is flawless; he is a shield to those who take refuge in him." Proverbs 30:5 NIV

PARENT TIME:

What you need to know:

Every week, practice the books of the Bible with your kids. Review the hand motions we're teaching them so they can commit these books to memory.
